

### ***CMC Education Foundation Employee Student Scholarship***

The purpose of this scholarship is to provide funds to foster and promote the attainment of higher education by awarding scholarships to the legal dependents of current CMCSS full-time employees.

Two \$2,500 scholarships will be awarded to the legal dependent of a current CMCSS classified employee, and two \$2,500 scholarships will be awarded to the legal dependent of a current CMCSS certified employee. Legal dependents are qualified applicants who are natural-born or legally adopted children of a CMCSS employee or students covered by a conservatorship or guardianship by a CMCSS employee. Legal guardianship or conservatorship of a student who is not the natural or legally adopted child of a full-time employee must be verified when the application is submitted.

Funds for this scholarship are provided solely through the CMC Education Foundation and will be assessed and approved by the Foundation Board or directors.

The scholarship selection committee of the CMC Education Foundation will have full authority in selecting scholarship recipients using a rubric comprised of requested applicant information.

Scholarships are awarded on a one-time basis for use during the first year of school at a four-year institution, Technical College, or community college.
